The process of replacement for Council vehicles will be:

At the time of replacement, the Corporate Services Manager will discuss the required replacement vehicles with the Departmental Manager. The replacement vehicle will be subject to the following criteria:

- (i) The Council logo must be printed on the vehicle.
- (ii) Fringe Benefit Tax will not be payable on any vehicles, therefore vehicles must qualify for FBT exemptions, or private use is reimbursed to Council.
- (iii) The vehicle selected will be the most economic for the purpose intended. We do not replace like with like unless it can be justified to the Chief Executive.
- (iv) The Chief Executive must approve any changes, such as additional vehicles and / or additional requirements.
