The Central Hawke's Bay District Council has adopted a Zero Waste to Landfill by the year 2015.

Council will provide a cost effective Recycling and Refuse Disposal System using the goals and methods of the Solid Waste Activity Management Plan.

Council supports and promotes the education and principles of its 'Reuse, Recycle and Reducing Waste Strategy'.

All waste deposited or disposed of at a Council-owned Waste Facility shall pay a fee for the disposal of that waste as per the CHBDC LTP Appendix 1: Schedule of Fees and Charges.

The types of waste accepted at a Council-owned Waste Facility shall be governed by the Waste Acceptance Criteria for the District Landfill (defined in the Landfill Management Plan).

The Solid Waste Policy will require updating with the implementation of the Waste Management and Minimisation Plan as required by the Waste Minimisation Act to be adopted by 1 July 2012.
