### Terms and conditions:

- Application fee of **\$115.00** and an application fee of **\$180.00** for a Generic Overweight permit
- Any variation in weights to be advised in advance of approval
- Any disturbance of a Council asset must be reinstated to its original form to the satisfaction of the District Council
- Any bridges within the District shall be crossed at CRAWL speed CENTRAL on the bridge; this includes Patangata Bridge on Elsthorpe Road and Annandale Bridge on Pouterere Road
- The only bridge that cannot be crossed with an overweight permit is Makaretu Bridge on Paget Road which has a 70% gross axle loading

I hereby agree to comply with the above conditions:
