

# Council Activities

---

This section outlines the 21 activities the Council undertakes in order to meet the nine Community Outcomes and provides budget information for the 2005/2006 year for each activity.

## Groups of Activities

The Central Hawke's Bay District Council's activities fall into the following six groups:

1. Community Leadership
2. Planning and Regulatory
3. Solid Waste
4. Land Transport
5. Water Services
6. Recreation and Community Facilities

## Council Activities

The Local Government Act 2002 requires Council to identify each of our activities and explain how we fund and manage these activities. We have considered what we do and the means we use to do it and have settled on the following 21 separate and discrete activities:

### COMMUNITY LEADERSHIP GROUP

1. Leadership, Governance and Consultation
2. Economic Development

### PLANNING AND REGULATORY GROUP

3. Landuse Planning and Management
4. Resource and Subdivision Consents
5. Building Control
6. Public Health and Hazardous Substances
7. Animal Control
8. Emergency Management
9. Bylaws, Parking and Litter Control

### LAND TRANSPORT GROUP

10. Land Transport

### SOLID WASTE GROUP

11. Solid Waste

### WATER SERVICES GROUP

12. Water Supplies
13. Wastewater
14. Stormwater

### RECREATION AND COMMUNITY FACILITIES GROUP

15. Parks, Reserves and Swimming Pools
16. Public Toilets
17. Pensioner Housing
18. Libraries
19. Theatre and Halls
20. Cemeteries
21. Property and Buildings

Over the following pages of the Annual Plan you will find each activity's budget for the 2005/2006 year outlined and an explanation of how it has varied from the forecast budget in the Long-Term Council Community Plan as required by the Local Government Act 2002.

## Community Leadership and Governance Activity

The Leadership, Governance and Consultation Activity includes the following components:

- Facilitating Council decision-making by running elections, holding meetings and maintaining standing committees to ensure the good government of the District, providing information to elected representatives, secretarial support, minute-taking, and providing notice of meetings.
- All local authorities now have more stringent consultation requirements, in addition the public and elected members demand better communication and information flows both to and from the public.
- Council provides and administers grant and scholarship schemes to provide individuals and groups with financial assistance. The Central Hawke's Bay District Council has one Council Controlled Organisation, which is Infracon Limited, and four Council Organisations: CHB Promotions Inc, CHB Early Settlers Museum Society, Roadsafe Hawke's Bay, and the Howard Estate Advisory Board.

## Economic Development Activity

Economic development with Central Hawke's Bay is undertaken by a number of providers on behalf of this Council. These service providers include:

- CHB Promotions (formerly Waipukurau Alive, CHB Unlimited) including the operation of the District's Visitor Information Centre.
- The Hawke's Bay Economic Development Agency.
- The various major regional initiatives within the Hawke's Bay area including Food Hawke's Bay, Wood Hawke's Bay and the recently formed engineering and manufacturing cluster.
- Tourism Hawke's Bay.

Council ensures that we all work together to achieve a prosperous and thriving economy for the District. Council's rates postponement policy includes provision for a Rates Holiday to assist existing ratepayers to establish businesses which support Council's economic development initiatives.

There is a proposed increase in budgeted operating costs of \$2,500 in this activity for the 2005/2006 year than that forecast in the LTCCP. This is the result of a \$7,500 one-off increase in the grant paid to CHB Promotions to assist the development of their website and a reduction of \$5,000 made up of the grant intended to be paid to the Hawke's Bay Economic Development Agency but not required this year. This overall increase is funded from rates which represents a 2.69 % increase from the rates forecast in the LTCCP.

## Landuse Planning and Management Activity

Council is required to provide a comprehensive District Plan that meets the needs of the community. The activity goal is to implement the Resource Management Act 1991.

The District Plan became operative on 1 May 2003 after extensive consultation with the community. It is not envisaged that any significant changes will need to be made to the District Plan until the outcomes from the Coastal Plan have been determined.

Previously one staff member reported on District Planning matters in conjunction with the Regulatory Services Manager. The operation of the District Plan is also dependent on assistance from consultants for reporting on major applications or major changes to the District Plan. A dedicated Planning Officer has been employed.

## Resource and Subdivision Consents Activity

Council is required to implement the Resource Management Act 1991. The activity goal is to ensure that development occurs in a manner that complies with the District Plan. The Council usually processes about 120 consents per year although the overall trend over the previous five years indicates a significant increase. One staff member is employed fulltime on this processing work.

To offset this, a corresponding increase in fees to collect a further \$29,600 income is proposed. The net rating requirement of \$1,928 will be funded from rates which represents a 2.52% increase.

## Building Control Activity

Council is required to implement the Building Act 2004 and other related legislation to ensure that buildings are safe and sanitary and have means of escape from fire. The Council also issues PIMs and LIMs.

The activity goals are to ensure that the Building Act is applied with minimal compliance costs and that nuisance or objectionable effects on human health and safety are minimised.

The Council usually processes between 500 and 600 building consents per year with the trend increasing over time. Two Building Officers are employed fulltime with a Senior Inspector providing additional assistance as required.

There is a proposed increase in budgeted operating costs of \$132,836 and a reduction of \$5,000 in budgeted capital expenditure in this activity for the 2005/2006 year than that forecast in the LTCCP. To offset this, a corresponding increase in fees to collect a further \$151,930 income than that forecast in the LTCCP will occur in order to bring the Activity to 100% user pays as reflected in the funding policy. The net rating requirement has dropped \$24,094 to zero.

## Animal Control Activity

Council is required under the Dog Control Act 1996 to make provision for the control of dogs and the damage they can cause. The main bylaw for this Activity is the Dog Control Bylaw 2005. One Animal Control Officer is employed fulltime on the control and registration of dogs with backup available from other Regulatory staff as required. Ranging for control of other stock is undertaken between the Animal Control Officer and the Emergency Management and Bylaws Officer.

An Animal Pound is operated in co-operation with the SPCA and the Council has its pound kennels on the SPCA land in Coughlan Road. The SPCA staff service the pound on a cost recovery basis.

The activity goal is to ensure that all stock and pet animals do not create undue nuisance or damage to residents or property.

There is a proposed increase in budgeted operating costs of \$9,697 in this activity for the 2005/2006 year than that forecast in the LTCCP. In addition Council wishes to increase the proportion of user pays cost recovery for this activity. Therefore Council proposes to increase registration fees to collect a further \$6,000. This means that \$3,697 less than the amount forecast will be required from rates which represents a drop of 9.62% from that forecast in the LTCCP.

Council is required to implement the Health Act 1956, the Food Hygiene Regulations, the Sale of Liquor Act 1989 and other related legislation and to protect community water supply systems.

The activity goals are to ensure that public health and general well-being are protected to the extent that Council can. The Council currently processes about 110 Health Licences and 175 Liquor Licences per year. One Environmental Health Officer is employed fulltime.

The control of Dangerous Goods Licences has now been taken over by the Environmental Risk Management Authority under the Hazardous Substances and New Organisms Act. The Council will continue to provide local support at emergency incidents involving hazardous substances because of our local knowledge, expertise and proximity.

## Emergency Management Activity

Council is required to meet its responsibilities under the Civil Defence Emergency Management Act 2002 and the Forest and Rural Fires Act 1977. The activity goals are to provide an effective Civil Defence and Rural Fire organisation to minimise the effects of disasters.

The Council has current Civil Defence and Rural Fire Plans and is working with all other Councils in the region on the preparation of a regional CDEM Group Plan. One Officer is employed on Emergency Management duties in addition to other regulatory duties.

Civil Defence centres and rural fire forces are established throughout the District.

## *Bylaws, Litter and Parking Control Activity*

Council is required to implement all Council Bylaws, the Litter Act 1956, the Traffic Regulations, and other related legislation. The Local Government Act 2002 requires that all Bylaws be revised over the next five years or they will lapse.

The activity goals are to ensure that all controlled activities are managed in a manner appropriate to local requirements with the least possible intervention in the private lives of residents.

The Council currently employs two staff members to cover Bylaws, Litter and Parking in conjunction with other duties.

There is a proposed increase in budgeted operating costs of \$3,030 in this activity for the 2005/2006 year than that forecast in the LTCCP. This is funded from rates which represents a 14.08% increase.

## Land Transport Activity

Council owns and maintains the District roading network. Network maintenance is funded by rates, with a substantial part of the network also receiving financial assistance from Land Transport New Zealand (ex-Transfund) at an assistance rate of 58%. Council staff manage the roading network, with the assistance of consultants engaged through a Network Management Contract. All work is carried out through various physical works contracts.

A comprehensive Activity Management Plan has been written for this Activity. The roading network is maintained on an "in perpetuity" basis, and no significant capital works, such as new roads, are planned. The Council works closely with the New Zealand Police and with Land Transport New Zealand to ensure the safe design and use of roads. It intends to adopt (and thereafter to annually review) a road safety strategy for the district and to implement this via an annually prepared road safety action plan.

There is a proposed increase in budgeted funding requirement of \$424,351 in this activity for the 2005/2006 year than that forecast in the LTCCP. This will require a rates input of an additional \$505,865. This represents a 12.68% increase above the rates requirement forecast in the LTCCP.

Council has adopted a policy target of zero waste going to the landfill by 2015. A new system for solid waste (refuse) collection and disposal services was introduced in the 2003-04 year. These services include:

- Litter Collection
- Refuse Collection
- Kerbside Recycling (Waipawa & Waipukurau only)
- Recycling Centres
- Transfer Stations
- Greenwaste
- Jack Trash Bins
- Landfill
- Increased Education and Enforcement

To offset the increase in expenditure, a corresponding increase in fees to collect a further \$98,043 income from what was forecast is proposed. The net rating requirement of \$22,181 will be funded from rates which represents a 1.98 % increase.

## Water Supplies Activity

With regard to the provision of potable water, councils have the obligation to identify where such a service is required, and to either provide it directly themselves, or to maintain an overview of the supply if it is provided by others.

In the Central Hawke's Bay District, there are presently eight public water supply systems at Otane, Waipawa, Waipukurau, Takapau, Porangahau, Te Paerahi, Purerere and Kairakau. Water is also supplied to the Purerere Camping Ground and Purerere toilet block.

The quality of water supplied meets the New Zealand Drinking Water Standards 2000 at Takapau and Te Paerahi – Porangahau. Other supplies meet some of the requirements for coliform levels in the water, but not other requirements. Government is expected to pass legislation making compliance with the Standard mandatory. This will require installation of new treatment plants at some sites. Comprehensive Activity Management Plans have been compiled for all water supplies, and assessments of water supplies were completed at the end of the 2004/2005 year.

There is a proposed increase in budgeted expenditure of \$82,706 in this activity for the 2005/2006 year than that forecast in the LTCCP. The majority of this is capital expenditure, which is proposed to be loan funded. The net rating requirement of \$4,057 represents a 0.39% increase.

In the Central Hawke's Bay District, there are presently six public sewage collection and treatment systems at Otane, Waipawa, Waipukurau, Takapau, Porangahau, and Te Paerahi.

A resource consent for the discharge of treated effluent until 2018 is held for the Takapau treatment system. The other systems were the subject of a resource consent application process and the result of this process means that treatment system upgrades will be required to ensure that these systems meet effluent quality standards.

Comprehensive Activity Management Plans have been compiled for all wastewater supplies.

There is a proposed increase in the budgeted funding requirement of \$852,317 for this activity for the 2005/2006 year than that forecast in the LTCCP. Around two-thirds of this expenditure is proposed to be loan funded but a net rating requirement of \$51,776 remains which represents a 5.8% increase on what was forecast in the LTCCP.

## Stormwater Activity

Two main stormwater areas have been set up – Waipawa and Waipukurau. Stormwater issues in the rest of the District are usually treated as roading related issues or as private property issues. Additionally the Te Aute Drainage Scheme manages drainage for a large area of farmland.

The catchments in Waipawa consist of open watercourses and piped reticulation. They drain into the Waipawa River through either Coronation Park or the Bush Drain, or to the north to the Papanui Stream. The main areas that suffer from flooding are in Waverley Street, Watts Street, and in the Bush Drain area. The catchments in Waipukurau consist of open watercourses and piped reticulation. They drain into the Tuki Tuki River through a number of systems including the Pah Flat Stream, or to the south and east to the Mangatarata Stream system. Flooding is not a major problem, except in excessive rainfall events. The reticulation in Otane, Tikokino, OngaOnga, Takapau, Porangahau, Te Paerahi, and beach settlements consist of open drains with some piped sections, generally being roading drainage. A major project to pipe drains in Porangahau began in 2004/05.

However, an additional rating requirement of \$10,099 will remain which represents a 3.78 % increase in the rate requirement forecast in the LTCCP.

## *Parks, Reserves and Swimming Pools Activity*

Council provides parks, reserves, swimming pools and camping grounds for the leisure use of the community. The Parks, Reserves and Pools Activity is managed by Council staff, with operations and maintenance of facilities carried out by:

- Parks and Reserves and Waipawa Swimming pool – a contractor employed through a Facilities Management Contract.
- Westpac Trust Heated Swimming Pool – CHB Community Trust
- Camping Grounds – lessees of each camping ground

Council also provide financial assistance to:

- Hawke's Bay Regional Council's Coastcare initiative.
- Purerere Landcare initiative.
- Forest and Bird for some maintenance of Lindsay Bush Reserve.
- Forest Gate Domain Committee for mowing.
- Takapau Rec Ground Committee for mowing.
- Sport Hawke's Bay for sporting and leisure promotion.

There is a proposed increase in the budgeted funding requirements of \$30,295 for this activity for the 2005/2006 year than that forecast in the LTCCP. The majority of this is required for increased operating expenditure. A large proportion is proposed to be funded by additional reserves expenditure. However, an additional rating requirement of \$18,812 will remain which represents a 2.99% increase in the rate requirement forecast in the LTCCP.

## Public Toilets Activity

Council is required by community expectation to provide public conveniences for the use of the public within the District. Council provides and maintains 24 public conveniences. Council's Facilities Management contractor maintains the majority of the public conveniences, to a good standard. Other public conveniences are maintained by Council staff or other community groups. Facilities are maintained on a regular basis as required. A refurbishment programme is now in place with the objective of upgrading five toilets each year.

## Pensioner Housing Activity

Council provides rental accommodation for older persons. Council owns 48 flats. The flats are managed on a self-funding basis with rental income covering all costs.

The Pensioner Housing Activity runs smoothly. Requests about the flats are received and actioned by Council staff. Council staff manage the maintenance and refurbishment of the flats. Council's Facilities Management contractor maintains the grounds to a generally good standard.

There is a proposed increase in the budgeted funding requirements of \$42,486 for this activity for the 2005/2006 year than that forecast in the LTCCP. The majority of this increase is required for funding new depreciation. A large proportion is proposed to be funded in turn by depreciation funds. The Pensioner Housing Activity does not require rates input and Council policy reflects this.

## Libraries Activity

Council provides library services through library buildings at Waipukurau and Waipawa. Services provided include books, audio tapes and videos for information and loan, access to the internet, access to other libraries resources throughout New Zealand, and photocopying. Programmes are also run to encourage and assist the acquisition and spread of knowledge and culture and stimulate artistic, intellectual and imaginative activity.

Council owns the Waipukurau Library building and leases the Waipawa Library building. Council staff run both libraries, and funding is derived from rates, rental of books, tapes and videos, grants from various sources, and fund raising organised by library staff.

There is a proposed increase in the budgeted funding requirements of \$21,545 for this activity for the 2005/2006 year than that forecast in the LTCCP. This has brought an additional rating requirement of \$15,172 for 2005/2006 which represents a 4.72% increase in the rate requirement than that forecast in the LTCCP.

Council owns twelve buildings that are used to provide meeting places for the community. These are:

**Halls managed directly by Council:** Waipawa Town Hall and the Porangahau Hall.

**Waipukurau Civic Theatre:** Managed by an independent manager who operates the Theatre including showing movies, providing meeting facilities and operating a restaurant. Council pays the manager an annual fee for operating the Theatre. The Theatre is maintained jointly by Council staff and the manager, with Council providing funding for renewal or replacement of assets.

**Community Halls managed by Hall Committees:** Otane, Tikokino, Argyll, OngaOnga, Takapau, Otawahao, Elsthorpe, Wallingford and the Waipukurau Memorial Hall.

**In addition three halls not owned by Council are supported financially by Council:** Omakeke (owned by Waiapu Board of Diocesan Trust); Sherwood (owned by the Ashley Clinton – Makaretu Hall Society); and Flemington (owned by the Flemington Community Trust).

## Cemeteries Activity

Council is required by community expectation and by the Health Act 1956 to provide burial and memorial facilities for the District's communities. Council provides and maintains ten operational cemeteries and four closed cemeteries. Requests for use of the cemeteries are received and actioned by Council staff. Council's Facilities Management contractor actions those requests as necessary, and maintains the cemeteries to a generally good standard. The District is running out of cemetery space at a number of cemeteries, and provision needs to be made to create more cemetery space.

A small proportion is proposed to be funded by an increase in loan funding, but the majority of this additional cost becomes an additional rating requirement of \$9,723 for 2005/2006 which represents a 10.27% increase in the rate requirement than that forecast in the LTCCP.

## Property and Buildings Activity

The Properties and Buildings Activity provides and manages a number of properties used in the delivery of services to the community. Council owns a number of properties and buildings that are used to providing services to the public, but that do not fit into a specific Activity grouping. These are owned for historic, cultural or administrative reasons. These properties are:

- War memorials at OngaOnga, Takapau, Waipawa and Waipukurau
- CHB Settlers Museum and Onga Onga Museum
- Administration Building in Waipawa
- CHB Community Rooms in Hunter Park Waipukurau
- Takapau Plunket Rooms
- Otane Library Building
- Miscellaneous sections
