Golden Rules to Make Your Business Covid-19 Safe

1. If your business requires close physical contact it can’t operate.

2. Your staff should work from home if they can.

3. Customers cannot come onto your premises.
   Unless you are a supermarket, dairy, petrol station, pharmacy or permitted health service

4. Your business must be contactless.
   Your customers can pay online, over the phone or in a contactless way. Delivery or pick-up must also be contactless.

5. Basic hygiene measures must be maintained.
   Physical distancing, hand washing and regularly cleaning surfaces. Workers must stay home if they are sick.

6. If you used PPE in your business before COVID-19, then keep using it in the same way. If you didn’t use PPE in your business before COVID-19, you don’t need it now.
