Tēnā koe Helen

Thank you for allowing time to obtain clarification on an inconsistency in a further submission that has been filed on 29 October 2021 by Kylee Katipo of McCaw Lewis Solicitor on behalf of their client, Ngā hapū me ngā marae o Tamatea.

I refer to page 32 of the further submission noted below:

Proposed District Plan Central Hawke's Bay District Council - 2021							
Original Submission Details					Further Submission		
Plan Section	Provision	Submitter Name	Submission Number	Relief Sought in Submission	Support/oppose	Allow / Disallow	Reasons
Natural Environmental Values	NFL-P5	Royal Forest and Bird Protection Society NZ (Forest & Bird)	S75.064	Delete NFL-P5	Support	Allow	We support removing the policy that prioritises potential water storage infrastructure over the protection of indigenous vegetation and habitats.

The inconsistency relates to NFL-P5. The submission seems to indicate support for the submission filed by Royal Forest and Bird Protection Society NZ that opposes and allows for the removal of Plan Provision NFL-P5 from the proposed District Plan.

I have contacted the client who instructed Mssrs McCaw Lewis and can confirm that this is not the position of Ngā hapū me ngā marae o Tamatea who wish to strike this particular submission from the Table.

Instructions to that effect were not issued and that position goes against the current position of the client grouping who are in current wānanga developing the Tamatea position on their post settlement

aspirations for cultural, economic and social development. This includes consideration of a large water security facility on the Mākāroro. A decision on this matter is not expected from Ngā hapū me ngā marae o Tamatea until early next year at the earliest.

In the interests of efficiency Mr Brian Morris has authorised me to write and advise you of this inconsistency. He will talk to the issue himself if required when making oral submissions on behalf of the Tamatea marae and hapū.

Thank you for allowing time for the clarification and wish this to be noted against the further submission of Ngā hapū me ngā marae o Tamatea.

Nga mihi

NATURAL ENVIRONMENTAL VALUES – PROVISION NFL-P5

I am writing to confirm that my position remains as stated in the letter from Liz Munroe, dated 9 November 2021.

The various hapū of Tamatea are yet to meet to formulate a collective position related to water, and water storage initiatives.
