[872470-District Plan part D general rule 6.20 activities on the surface of water for web.pdf](#)

Apologies.

Attached is an example from the Timaru District plan.

See 6.20.2.2

Like many plans the definition of Commercial is not defined. It is however well understood that to run a commercial activity the craft must be under Maritime NZ survey and meet a raft of safety criteria set by MSA. Underpinning all of this is that commercial involves payment for the service.

For resource management reasons it's the frequency and intensity that are a concern. Any commercial activity is likely to have both, so it makes sense to wrap up all commercial activity into the same requirement.

Importance: High

Kia ora Brian,

Could you please provide the information requested by the Panel as per your appearance at Hearing Stream 1- Monday 14 March 2022?

It was concerning the Panels question on information about other councils' approach to your events and you were going to check and submit the commercial info to me.

If we could have this by tomorrow as we are currently in deliberations.

Ngā mihi,

Jessie Williams

6 GENERAL RULE

6.20 ACTIVITIES ON THE SURFACE OF WATER

6.20.1 ISSUES, OBJECTIVES, POLICIES AND METHODS

See Part B(2) and (3).

6.20.2 RULES FOR ACTIVITIES ON THE SURFACE OF WATER

6.20.2.1 PERMITTED ACTIVITIES

The following are permitted activities on the surface of water in rivers:

(1) **All Rivers**

The use of motorised craft, at any time of year, where involved in search and rescue, scientific research, or resource management monitoring.

(2) The use of non motorised craft, at any time of year, except where used as a commercial activity.

(3) **Opihi River**

(a) The use of motorised craft by the New Zealand Jet Boat Association for up to two family day events on the Opihi River between the State Highway 1 Bridge and the confluence of the Opihi and Opuha Rivers within the period September to February (inclusive) conducted between 10.00am and 3.00pm when the river flow measured at the State Highway 1 Bridge exceeds 30 cumecs.

(b) The use of motorised craft on the waters of the estuarine lagoon area of the Opihi River at speeds not exceeding 5 knots.

(c) Up to one jet sprint event conducted by the New Zealand Jet Boat Association outside but adjacent to the mainstream of the Opihi River, of up to two days duration in September of any one year.

(4) **Rangitata River**

The use of motorised craft on the Rangitata River at any time other than above Red Rocks also known as Turn Again Bend (NZMS 260, Sheet J36, Grid Reference 515208) between March and July (inclusive), or where used as part of a commercial activity.

6.20.2.2 DISCRETIONARY ACTIVITIES

The following are discretionary activities subject to complying with the General Rules:

- (1) Commercial activities involving craft on the surface of water (other than for motorised activities on the Opihi River).
- (2) Establishment and operation of areas for use by motorised craft for recreational activities on the surface of any water body other than the Opihi and Rangitata rivers.

NOTE: When considering applications for discretionary activities regard shall be had to the Performance Standards for the zone.

6.20.2.3 PROHIBITED ACTIVITIES FOR WHICH NO RESOURCE CONSENT SHALL BE GRANTED

The use of any motorised craft not provided for as a permitted or discretionary activity.
