Legal Submissions or statements of position:	1.00pm Wednesday 9 November 2022

3. As a submitter and/or further submitter, you are invited to present your submission to the Hearing Commissioners who will consider the submissions in support of/or opposing the Proposed District Plan Provisions.

General Procedures for the Hearing of Submissions

4. This letter sets out matters relating to the hearing. Further important detail is available in [Minute 05](#) – Hearing Procedures issued by the Hearings Panel.
5. If submitters wish to provide a copy of tracked changes of the plan provisions to the Hearings Panel, they may contact Council for a word version of the relevant section.

6. Procedures for the hearing of submissions may be adjusted in light of the evolving COVID19 situation to ensure, to the extent possible, the safety of the Panel, reporting officers, supporting staff and submitters. Confirmation of the procedures and protocols for the hearings will be communicated to all submitters two working days before the hearing or as this information is made available from Central Government, whichever is earliest.

Procedures for the Hearing of Submissions on Tangata Whenua matters

7. The Hearings Panel observed during Hearing One that matters raised in the s42 reports relating to and submissions by Tangata Whenua were broader than a single section of the PDP, and that their concerns were interrelated, making the hearing of all Tangata Whenua matters across the PDP complex. Given this, and following engagement between tangata whenua submitters and representatives of the Council, the Panel determined that a bespoke hearing process for these matters was appropriate. As set out in further detail below, the intention was for the Tangata Whenua topic to follow a three-step process:
 - 1) An initial hearing (completed in mid-August 2022) where overarching issues and key concerns were discussed.
 - 2) Wānanga for all Hearing 4 submitters (5 and 6 September 2022) to discuss and work through issues identified during the initial hearing; and
 - 3) A second hearing (**Monday 14 November 2022**), where the outcomes of the wānanga will be presented and any unresolved issues can be addressed through evidence and presentations to the Panel.
8. By adopting this process, the Panel's intention was to ensure that all submitters on this topic had the opportunity to speak to their submissions, but also to explore, in a collaborative manner, whether agreed solutions could be identified which would address the submitters' concerns, including through the District Plan or through other methods.
9. The Panel issued [Minute 11](#) on Tuesday 5 July 2022, which provided further detail about the three-step process. Information about the third-step of the process is summarised below:

Resumed Hearing

10. A resumed hearing is scheduled following the wānanga: this is planned for **Monday 14 November 2022**.
11. A Section 42A Report will be prepared by a Council planner and circulated to all relevant submitters at least 20 working days prior to the resumed hearing. The report will append any record of agreement reached during wānanga and will take that into account in any assessment and recommendations.
12. Evidence and any legal submissions will be invited to be filed in advance in accordance with the usual timeframes.

The resumed hearing will focus on any matters not agreed through the first hearing, the wānanga or the s 42A report.

Pre-Circulation of Evidence

13. The Hearing Panel requires the Council to provide all evidence to the submitters no less than 15 working days prior to the hearing.
14. Submitters and further submitters are required to provide all expert evidence at least 10 working days before the hearing. An expert is a professional such as a planner, traffic engineer or similar. Submitters may provide non-expert evidence (i.e., personal submissions) at the hearing; however, it is preferable if this is provided two working days before the hearing, particularly if it is longer than 3 pages. The required delivery dates for evidence are set out at the start of this letter.
15. All evidence is expected to be provided electronically. **Evidence can be sent to the Hearings Administrator Jessie Williams at districtplan@chbdc.govt.nz .**
16. Providers of expert evidence are referred to [Minute 05](#) of the Hearings Procedures, specifically paragraphs 46 – 49 regarding the formatting of expert evidence. If substantive changes are being sought, then this should be supported by a s32AA evaluation and a 'tracked changes' version of Plan provisions.
17. Submitters' evidence will be uploaded to the Hearings Portal on the website, and the Hearings' administrator will forward a link to relevant parties.
18. If you have expert summaries and written representations three A4 pages or less, or any other written material to present, please bring ten (10) copies to the hearing (to be delivered in a contactless way to the Hearings Administrator). The Hearing Commissioners have received a copy of all submissions. You do not need to provide additional copies.

Presentations at the Hearing

19. If you wish to speak at the hearing, please email districtplan@chbdc.govt.nz before **1.00pm Wednesday 20 October 2022**.

Your email needs to provide:

- Your daytime phone number.
- The name(s) of who will be speaking to your submission (including any expert witnesses). Please note that providing this information is important in the context of COVID-19 and managing the number of people that are physically present at the Hearings venue.
- An indication of how much time yourself and if you have representatives who also wish to speak, how much time each seeks to speak. Due to pre-circulation of evidence, the Commissioners expect each submitter has a default of no more than 15 minutes to present their evidence. Submitters who consider that the default 15-minute period will be insufficient will need to make a request to the Hearings Administrator for additional time to be allocated, with reasons. The Chair will try to ensure that all submitters have

the time they need (within reason) to adequately present their evidence and submissions.

- An indication if a submitter wishes to speak to their submission or present evidence in Te Reo at hearing. If so they are required to provide the Hearings Administrator with at least one calendar weeks' notice before the commencement of the first day of the hearing stream concerned to enable an interpreter to be made available to assist the Hearing Panel. The Tikanga of the Mana Whenua shall be reflected in the hearing process as they deem appropriate.
 - An indication of your ability to speak to your submission online via Zoom. This is important if the Panel needs to adjust its approach to conduct the Hearings in light of the COVID-19 situation at the time of the Hearing.
20. The Hearing Administrator will prepare an indicative hearing schedule and post it on the website at least two working days prior to the hearing commencing. The hearing administrator will email all hearing parties a link to the schedule as soon as it is confirmed.
 21. The Hearings Panel prefers to hear submitters and witnesses 'in person.' However, virtual appearances can be organised through the Hearings Administrator a minimum of two (2) days before the hearing. Depending on the COVID-19 situation at the time of the Hearings, virtual appearances may be preferred, or the Hearings may be conducted entirely online.
 22. If you are a submitter and have also made a further submission on the same topic the Panel will be prepared for and expect you to talk to both submissions in the same session and in the same time slot at the Hearings.
 23. Hearings will be conducted in line with the most current Health Order and Government guidance of the day. The Hearings Administrator will advise submitters at least two working days or as the information is made available from Central Government, whichever is earliest, prior to each hearing of Council requirements and obligations in regard to COVID-19 Management.
 24. If you have any questions in relation to the hearing, please contact me on (06) 06 857 8060 or at districtplan@chbdc.govt.nz .
 25. Please find the Submitter Topic Table for Hearings Stream 4 Tangata Whenua [here](#).

Friend of the Submitter

26. Lily Campbell has been engaged by Council as the 'Friend of the Submitter'. Her role is to guide submitters through the hearing process, help them understand how things will work, and ensure that their submissions receive the attention they deserve.
27. Submitters are welcome to contact Lily at FriendofSubmitters@chbdc.govt.nz or 027 593 7786.
28. You can watch a video of Lily introducing herself and describing her role on the Hearings Portal [here](#).
