Attention: Hearing Commissioners

Dear Commissioners

Ministry of Education – Proposed Central Hawke’s Bay District Plan - Letter to be Tabled at Hearing 6: Mapping and Miscellaneous

The Ministry of Education (the Ministry) has lodged a submission on the Proposed Central Hawke’s Bay District Plan (Plan) (submitter 73) and further submission (submitter FS11). The Ministry has chosen not to attend Hearing 6 – Mapping and Miscellaneous scheduled to commence Tuesday 15th November 2022 and requests that in lieu of attendance this letter be tabled for the Hearing Commissioners’ consideration.

The relevant Officer’s Reports for Hearing 6 of the Plan have been received. The Ministry’s response to the Officer’s Report (S42A Report – Miscellaneous) recommendations on the Ministry’s submission points are set out below.

S42A Report - Miscellaneous

Definitions

The submission made by the Ministry sought to retain the definitions for the following terms as proposed in the Plan:

- Community facility (S73.001)
- Day care facility (S73.002)
- Educational facility (S73.003)
- Habitable room (S73.004)

The Ministry sought to retain the definitions for the above terms to align with the definitions in the National Planning Standards which in turn would aid in avoiding inconsistency when interpreting the provisions of the Plan.

The s42A Reporting Officer agrees with the Ministry for the reason above that the definitions align with the definitions in the National Planning Standards.

The recommended amendments are supported by the Ministry.

Should you have any queries or seek clarification on the above, please contact me on the details below.

Yours sincerely
