Terms and conditions:

I understand by making this application that I am willing to accept and comply with the following conditions:

- The vehicle crossings must be installed by a contractor preferred by Council. Council must approve the design and location of the crossing prior to installation. Full cost must be paid by the applicant.
- It is the applicant's responsibility to ensure the location of the vehicle crossing is within the boundary of the property, either confirmed by way of survey or at the applicant's risk. Council has no obligation to confirm actual boundary lines or location of the vehicle crossing in regards to these.
- Please see current Fees and Charges on the Council website for the application fee.
- Written confirmation of acceptance of this application will be made by Council.
- The vehicle crossing must be constructed within 12 months of being granted approval to proceed or the Council will construct the crossing at the owner's expense.
- Any cost to Council for repairing any damage caused to any property owned by Council or Private Individual due to the installation of the vehicle crossing will be claimed from the owner of the property.
- If an authorised Agent is making this application, the property owner's signature is also required.
