Council will maintain a pleasant, safe and hygienic swimming facility in Waipawa within the financial constraints of the LTP.

1. The pool is made available to the public during the warmer weather - usually from November to March of the following year.
2. The pool is available to all schools within the District.

Council will also provide an annual grant to the Central Hawke's Bay Pool which is in Waipukurau which ensures the provision of an indoor aquatics facility for the Central Hawke's Bay Community.
