OBJECTIVE OF THE POLICY

To enable Council to act fairly and reasonably and provide for the possibility of rates remission where two or more Uniform Annual General Charges (UAGC) are levied on rating units which are occupied or used by the same ratepayer being a lessee/owner using the rating units jointly as a single property.

CONDITIONS AND CRITERIA

Section 20 of the Local Government (Rating) Act 2002, stipulates that there shall be one property for the purposes of levying the UAGC, where two or more separately rateable properties are:

- (a) Owned by the same ratepayer (owner or person with right to occupy by virtue of lease for more than 10 years); and
- (b) Used jointly as a single unit (for the same purpose); and
- (c) Contiguous or separated only by road, railway, drain, water race, river or stream, they shall be deemed to be one property for the purposes of any Uniform Annual General Charges.

Council will allow, without further enquiry (except for clarification), applications made by ratepayers in the form of a statutory declaration to the effect that two or more separately rated properties are occupied by the same ratepayer and are used jointly for the same purpose and the Uniform Annual General Charge and any other relevant Separate Uniform Annual Charge levied on the second and subsequent assessments will be cancelled.

Council may remit the rates where the application meets the following criteria:

1. The rating units must be contiguous and occupied by the same ratepayer who is the lessee/owner of each unit and who uses them jointly as a single property contiguous or separated only by road, railway, drain, water race, river or stream and used for the same purpose.
2. Where farming or horticultural operations conducted on separate blocks of land are so far apart as to indicate that there is no possible continuity between them, full charges may be levied on each. Factors such as stock rotation, stock driving, property size, and the number of properties affected will be taken into account.
3. Council may, on written application from a ratepayer of such rating units, reduce or cancel any separate Uniform Annual General Charge levied on the rating units if it considers it to be reasonable in the circumstances to do so.
4. Council grants to the Chief Financial Officer or their nominee delegated authority in the above circumstances to approve on receipt of an application, the cancellation of Uniform Annual General Charge and any other relevant Separate Uniform Annual Charge levied on the second and subsequent assessments.
