## Community Programmes & Partnerships Lead

The Community Programmes & Partnerships Lead is an exciting role promoting the love of reading and literacy in the widest sense, through programmes and activities to the Central Hawke's Bay Community, as part of our Library Services Team.

Change your perceptions of dusty library roles – this exciting role is anything but! From encouraging communities on how to compost, sew, 3D print, start new businesses, diversifying our economy and supporting community well-being – no two days will ever be the same! We are keen to hear from people who have had successful experience in the planning and delivery of services, in either community, education or recreation services, although having library experience would be helpful.

This role is ideally full-time, but we would also consider applicants interested in working part-time from a minimum of 30 hours per week. You'll also be working after hours from time-to-time which includes the weekend.

**If you think this sounds like you, apply with your CV and Cover Letter via our Careers page on the Council website <https://www.chbdc.govt.nz/our-council/careers/current-vacancies/>. Applications close Wednesday 29 January 2020.**
