DESIGNATIONS	CHBDC – Central Hawke's Bay District Council	Amend	In our first submission last year we identified some areas of our farm that were not remnant forest/bush but kanuka stands and scrub. They have since been included as SNAs (part of SNAs 385, 414, 454 and 457). We would like these removed or viewed physically before they are deemed included. It is not our intention to clear these trees however compared to other original remnants, we are not convinced they should be deemed significant. In addition, the top part of SNA 457 is in the process of being covenanted into the QE2 National Trust.	Mapping of some SNAs on our property
