To: Central Hawkes Bay District Council.

I am writing in opposition to **any** of my land being included in proposed SNA areas.

I refer to SNA 138,141,191,199.

Attached are maps of proposed SNAs on our farm. Areas which we have preserved for the purposes of erosion control, shade and shelter and aesthetic value.

Some of the captured area is grazing land with no trees, other areas are holding paddocks. These areas should not be included in the plan!

We actively farm **amongst** and alongside much of the proposed area endeavouring to maintain pests and the **many** weeds that encroach and thrive under council management of the upper Tukituki River.

We have voluntarily set aside and planted areas of our property for beautification, sediment capture, stock shade and shelter purposes because we care for it!! Not because we've been told too!

I have spent my lifetime working to **own** protect and improve land we have been fortunate to acquire over many years. My family is the best guardian of it, certainly not the Government or Council, case in point as I referred earlier, the Upper Tukituki river is a disgrace, barely accessible, over run with willows, blackberry, broom, lupines and the like.

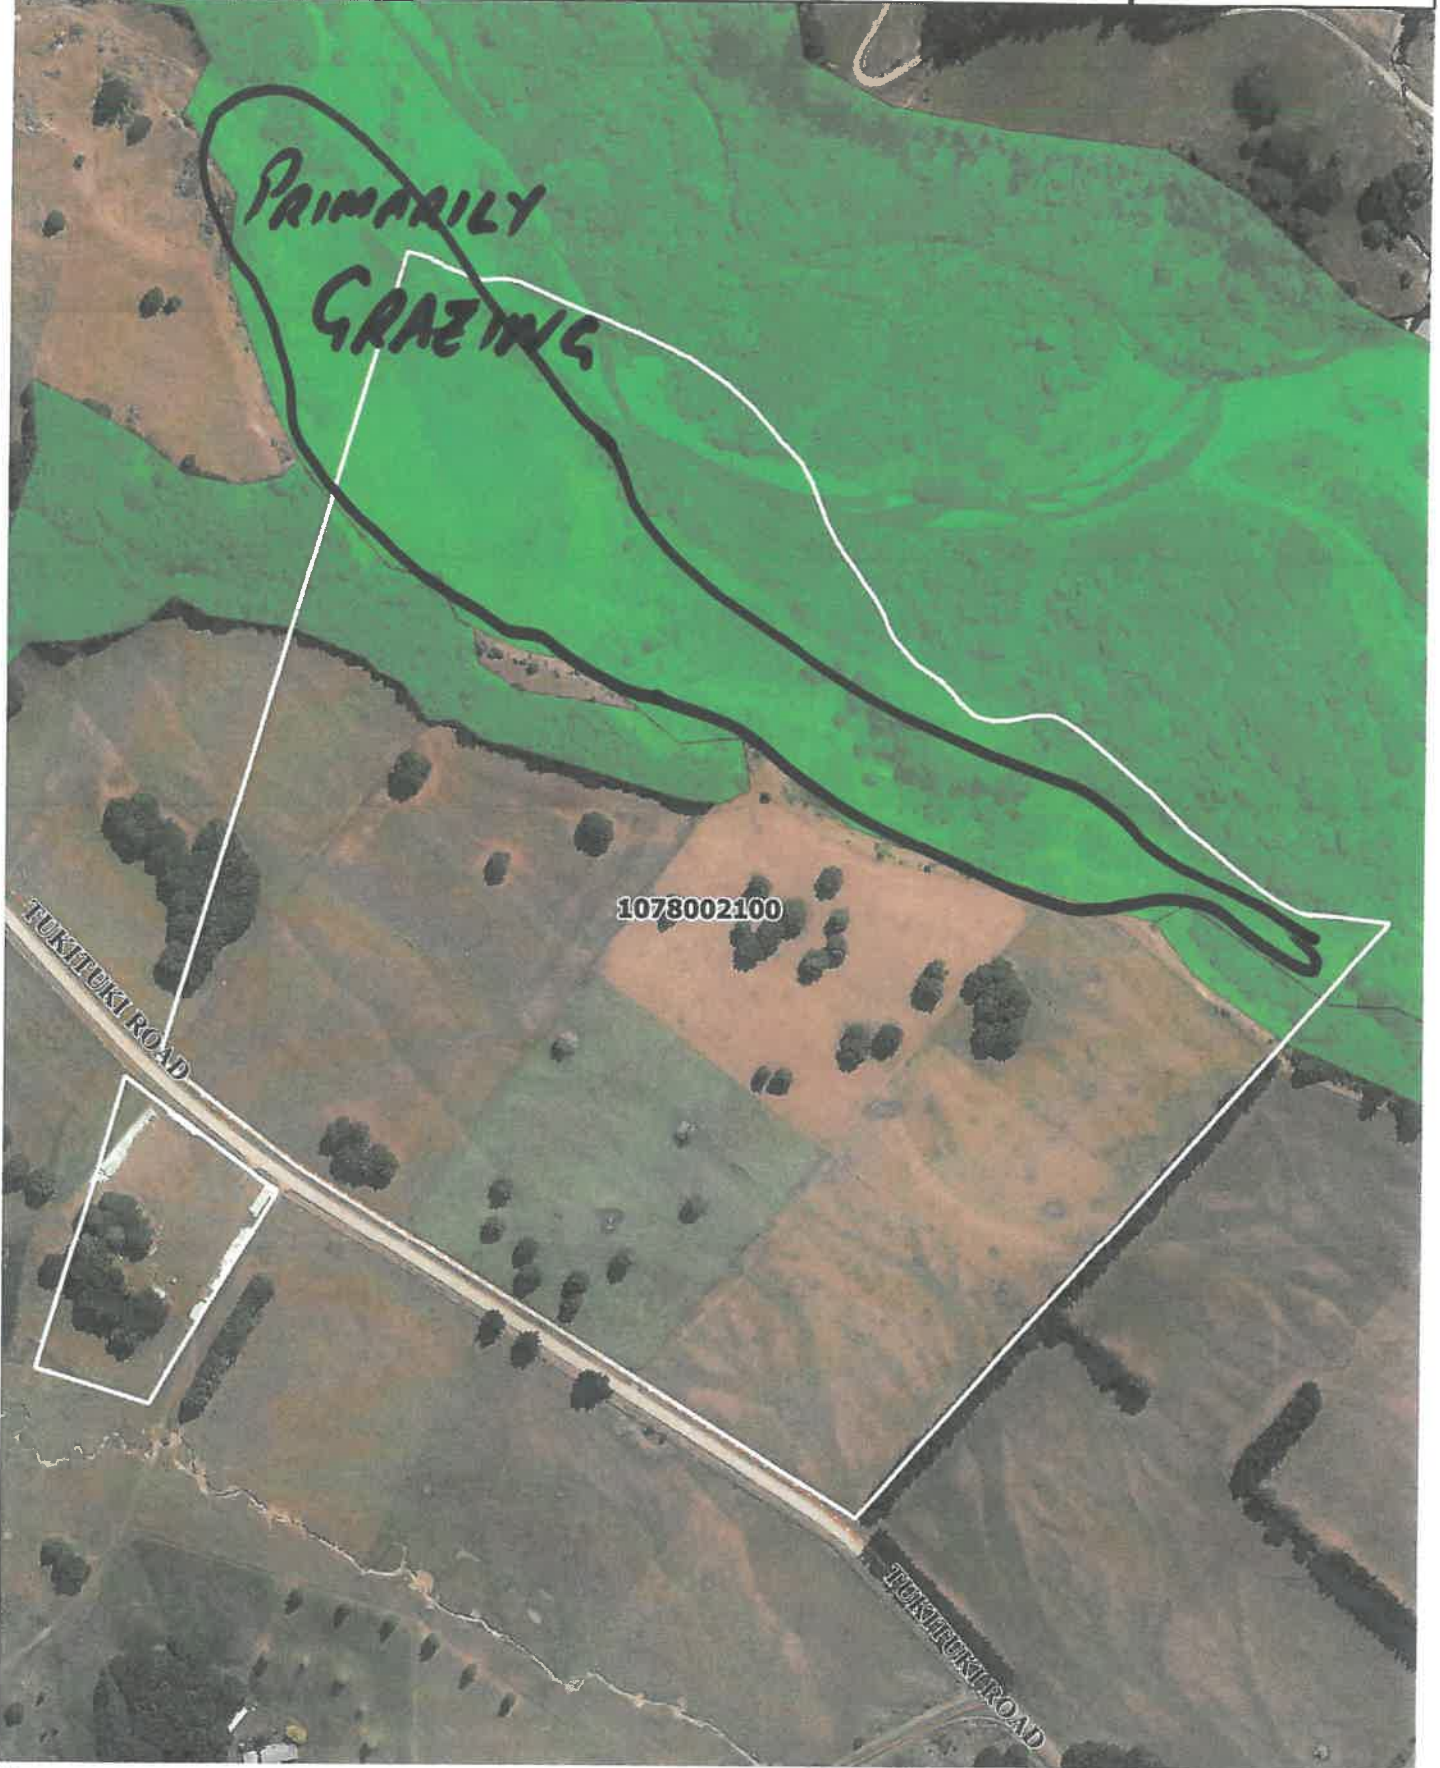

Chris Hardy

(On behalf of The C&H Hardy Family Trust and Lime Terrace Farm)
