Plan section	Provision	Support/oppose	Reasons	Decision sought
NATURAL ENVIRONMENT VALUES	ECO-P8	Oppose	SNA sites 47,48,49,51,53,54,55. These SNA Sites are protected by QEII and should be deleted from the appendix, they do not need to be regulated by the District Plan further. Section 6(c) of the RMA is already being achieved in that these special sites already have constraints on what activities can occur there, and are monitored by the QEII Trust These covenants are very robust and involve landowners defining the land area by survey, and committing to managing the ecosystem to maintain or improve its values. QEII visits covenanted sites biannually, so the site gets closer supervision under QEII than under the Council.	Significant natural areas
NATURAL ENVIRONMENT VALUES	ECO-R3	Oppose	Please remove SNA 60 as a significant natural area and SNA 96 requires a boundary change.	1 incorrect boundary and 1 removal from SNA
