## Submission points

Plan section	Provision	Support/oppose	Reasons	Decision sought
General	[General]	Amend	There is reference to bylaws throughout the draft Plan. In our case for example, reference to keeping animals in a Rural Lifestyle Zone. As none of the zones referenced in the bylaw will be operable in the Plan, there needs to be clarification about what can/can't be undertaken in each of the new zones.	Bylaws need to be reviewed to clarify how the rules apply for the new zone names. Rural, Urban and Township references will no longer apply given the new zone names.
