

## Glen Thompson

Glen aka G.T, is a 2021 Community Service Award winner and we are incredibly lucky that G.T loves Central Hawke's Bay so much he's happy to call it home!

A highly valued member of the Waipawa & Districts Lions Club, G.T manages and drives the clubs mobility bus. This role also sees G.T raising funds to ensure the mobility bus can continue to operate.

In the last year alone, G.T has provided transport for over 100 people attending health appointments as far as Napier. This includes waiting when appointments run late. But this isn't all that G.T does for our community! He is also heavily involved in the Cranford Hospice and gives his time to help in the Hospice shop in Waipukurau. Glen is known to have spent his Christmas day driving people around the region to visit their family ♡

G.T is currently on a mission to keep families in Central Hawke's Bay warm over winter, with a free firewood fundraiser.

An incredible gift to Central Hawke's Bay, thanks' for all that you do G.T!
