Property owners with houses adjacent to metal roads may apply to Council for permission to form, pave and seal the road frontage adjacent to their property for a length of 200 metres.

Council will work with the property owner to determine the responsibilities for up-front construction and ongoing maintenance and the standard to which all works are undertaken.

Council will also work with the property owner to determine who will bear the costs of the works. Council will use a set of its own guidelines to inform its decision making process as to whether or not it contributes financially to the works. "Council will consider its own contribution to funding in light of the funds available, the criteria above being met and where external funding is available.
