## CHB Stormwater Improvement Project

### Churchill Street, Carpenter Street, Savage Crescent, Waipukurau

Opus have now carried out the pavement investigation and have provided an appropriate design for the road reconstruction.

Monday 18<sup>th</sup> November has been provisionally agreed with Downers as a start date on site to begin the reconstruction of the road, of course this will be weather dependant.

Some kerb and channel works may start before this date so as not to hold up the main road reconstruction.

We are hoping to have the road fully completed by Friday 6<sup>th</sup> December.

Thank you once again for your patience during this process.
