Helping you to vote for this election

- Candidates are listed in the voting document under the elections they are standing for.
- We have colour coded the voting document and this profile book to help you match the elections and candidate profiles.
- This booklet may contain other elections that do not apply to you.

The successful candidates make decisions that affect us all every day. You will find all or some of these positions on your voting document:

- **The Mayor** is the leader of the City or District Council.
- **The City or District Council** provides communities with a wide range of local services and facilities. Councils make decisions to improve community wellbeing including key infrastructure (e.g. water supply, sewerage, roads), local regulations, recreational facilities, parks, planning and building issues. The council may be elected 'at-large' or divided into wards (including general or Māori).
- **The Regional Council** makes decisions about functions best delivered at a regional scale such as natural resource management (e.g. quality of water, allocation of water, land and soil, coastal planning, plant and pest control), regional transport, and civil defence and emergency management. Unitary Authorities perform the functions of both City or District Councils and Regional Councils. The regional council is divided into constituencies (which may be general or Māori).

Central Hawke's Bay District Council Ruataniwha Ward Electing 4 Councillors

Kelly ANNAND

My principal place of residence is in the Ruataniwha Ward area.

Tēnā Koutou Ruataniwha Ward Residents
I am seeking another term as your council representative. The past nine years have been an absolute joy and honour. The highlights being the six years serving as Chair of Strategy and Wellbeing and three as Deputy Mayor. My energy for the roles has only increased, along with my passion and drive to continue working for a thriving future for Central Hawke's Bay. Significant growth as a district and local government. reform is upon us. We need consistency, strategic planning, and advocacy for our district more than ever to ensure that our community outcomes are represented. Central Hawke's Bay is home, and I will continue to work hard for you, our people, who make this place such a caring and supportive community.

Pip BURNE

Your voice, our community

My principal place of residence is in the Ruataniwha Ward area.

Elected in the 2020 by-election Pip has enjoyed representing her community in Council and is seeking re-election. Pip firmly believes in strategic decision-making but with an eye on the here and now and the impact on ratepayers.

Pip is determined everyone gets a chance to have their say. She strives to represent the interests of the everyday ratepayer with active community engagement and representation. In 2021 she qualified to become a District Plan Commissioner.

Pip was schooled in CHB and holds a Bachelor of Business in Human Resource Management. She works in HR and Health and Safety at Stephenson Transport.

Pip is heavily involved in the community, highlights include the Waipawa Pool Steering Committee and the hey you - slow down traffic safety movement. She is on the organising committees for the Spring Festival and the Summer Series.

Pip is married to local teacher Peter and they have three children.

Kaye HARRISON

My principal place of residence is in the Ruataniwha Ward area.

I am proud to be a third generation local of Central Hawke's Bay. I care deeply for our community, have a passion for human rights, equality and an interest in local politics.

One of my favorite things to do is show newcomers to our area all the fabulous places to visit, including our beaches, wineries, gardens, & bush walks.

I would like to become an elected councilor so that I can be a voice for our community and my promise to you is I will take the time to listen to your concerns and use my role to bring them to our council's attention.

30+ years in Sales has given me great negotiation and communication skills.

I have been involved in fund-raising activities for our local fire brigades and Ronald McDonald House plus I am the author of 50+ things to love about CHB.

Gerard MINEHAN

Your Local Voice at the Council table

My principal place of residence is in the Ruataniwha Ward area.

Being a second-term Councillor, it's been an honour to represent and provide a voice in council to those who feel they are unheard. I consider a big part of my role is to air your

concerns and ask questions, it's not just about reading council papers. I'm upfront and will fight for what's right. I want CHB to be a district where citizens are absolutely involved in making decisions as much as they want to be, it's got to be about community and ratepayer-based decision making. I mix with a wide variety of our community, due to owning a local business (Story's Clothing) and I'm involved in a wide range of local voluntary organisations, this helps me hear your everyday concerns. If re-elected, I would be committed to focusing on our core services operating in an efficient and effective manner, which is doing basic things Once and doing them Right.

Central Hawke's Bay District Council Ruatanuihwa Ward Electing 4 Councillors

Exham WICHMAN

The voice of your generation

My principal place of residence is in the Ruatanuihwa Ward area.

Kia ora, my name is Exham Wichman, and I'm standing for re-election for Ruatanuihwa Ward.

My family and I have resided within Central Hawke's Bay for most of my life and we're

passionate about our community. I'm also extremely passionate about sports, especially rugby, and creating pathways for players.

I currently serve in my Kaiwhakahaere role for Te Taiwhenua o Tamatea and face the impact of many challenges, including the housing crisis and living cost increases. I want to help CHB be the thriving community we all deserve to live in.

Through my first term as a Councillor, I'm proud to have seen projects like Nga Ara Tipuna grow from an aspiration to fruition. I've laid the foundation as an inter-generational voice. I believe I can keep doing this by supporting whanau through growth and trials, being a strong voice at the table, and making decisions on your behalf.
