Dated: 15 September 2023

Greetings Tēnā tātou katoa,

Thank you to parties for responses to Draft Minute 6; we understand that there are no significant concerns with the timeframe we proposed therein.

**We therefore direct that the Applicant provide its Right of Reply in writing to us by 5pm on Monday 30 October 2023.**

As already signalled, our intention is to close the hearing by Tuesday 7 November 2023 provided we do not require further information and subject to any significant travel delays for one of our Panel members. We will issue further information/directions as appropriate once we receive and consider the written Reply.

Thank you again to all parties for working together and with us on an acceptable timeframe.
